

## ACH Information

There are three sections comprising the ACH form:

- ! Agency Information section - Preprinted on form.
- ! Payee/Company Information Section - Payee (also known as grantee) prints or types the following: identifying information (i.e., name of grantee organization and street address), OJP-assigned vendor number, and the name of the official contact person for the award, and his or her e-mail address and telephone number. The e-mail address will be used to notify the contact about payment confirmation or other notices concerning the financial aspects of grants.

The Depositor Account Title and the name of the organization that received the award should be exactly the same (e.g., award recipient “ABC Police Department” would be considered a different entity from the depositor title “City of ABC”). If the award recipient differs from the Depositor Account Title, a letter of explanation is required. This letter must be sent with the ACH form and submitted on the recipient’s letterhead, signed by an authorized official, and must explain why the funds are to be deposited into an account belonging to an entity other than the direct recipient of the award.

- ! Financial Institution Information Section - This section should be filled out by the grantee’s financial institution/bank official ONLY. The type of account should be checked, and the signature, title, and telephone number of the appropriate financial institution official should be included as well. **Only the authorized financial institution/bank official should sign the last line in the “Financial Institution Information” section of the ACH form.** The Office of the Comptroller will confirm the banking information with the financial institution prior to entry into OJP records.

**The ACH form must be received prior to drawdown or request for funds.**

The form and instructions are available on the Internet at <http://www.ojp.usdoj.gov/forms.htm>.
